Who Wants to Learn Spanish?

Spanish is extremely popular in the United States. It's spoken by over 28 million people, making it the second most common language in America. Spanish is also considered the first language in 22 other countries including the Caribbean, Spain, Mexico, Venezuela, Costa Rica, Columbia, Cuba, Bolivia, Honduras, Panama, Chile, Argentina and Peru.

With so many people around the world speaking Spanish, there are good reasons to brush-up on the language. In fact, there are at least eight key situations where knowing Spanish will give you an advantage. How many of these Spanish-language opportunities are you prepared for?

1. Connect When Traveling Abroad

If you plan to travel, you'll be prepared to take the world by storm, just by learning Spanish! When traveling to Spanish-speaking countries, being able to use key phrases in Spanish can greatly enhance the quality of your trip. If you learn conversational Spanish, you can read menus, talk with locals and enjoy the country's culture outside of the English-speaking tourist attractions. Knowing how to ask local residents about the nearest restroom locations or directions to your hotel is invaluable. If you're traveling for business, knowing some key phrases is essential.

2. Optimize Your Career Forecast

With so many Spanish-speaking people living in America, businesses need employees who can communicate with their clients effectively. There are many job opportunities for people who learn Spanish that aren't available to others; learning Spanish can give you an edge in the job market or help you further your career, and it looks great on your resume.

3. Master the Language of Love

Singles can significantly expand their dating pool when they learn conversational Spanish...
